Mr Dual Play
2003 Sorrel Gelding

12

NOTES: "Marty" is a cute little sorrel gelding that can get down on a cow. He has been roped off of plenty outside, and would make an ideal heel horse. "Marty" is well bridled and always gentle. He is by Dual Pep, earner of \$313,191.86 and an Equi-Stat All-Time Leading Cutting and Reined Cowhorse Sire whose foals have earned more than \$21.7 million.
