2005 Sorrel Mare

NOTES: This four-year-old mare is one of our favorites. She has excellent conformation and a personality to match. She is incredibly willing, patient, has a lot of try and a big stop. “Chick” has been started on cattle, roped off of outside and used on gathers, weaning days and other activities of ranch life. This versatile mare would be a great asset to anyone’s saddle string or broodmare band.
