NOTES: "Gray Boy" is an awesome finished reining horse qualifying for the AQHA World Show. He is an NRHA money-earner of \$1,897 and has a Register Of Merit in reining. "Gray Boy" has also been used extensively on the ranch as a cow horse and is a joy to be around. He does have an old scar on his left rear hock, but it has never affected his soundness. If you want a gelding, this is one you don't want to miss.
