Watch Jack Spin

2001 Chestnut Gelding

21

NOTES: This pretty, deep sorrel gelding is a must-see. "Spin" displays tremendous speed, athletic ability and agility. He has been used extensively on the ranch and he is an excellent rope horse. Strong and solid, he can rein, rope, track a cow, and has even shown potential as a speed event horse. "Spin" is always willing and ready, and if you need a job done, this is definitely the horse you came here to take home.
