Houstons Heating Up

2005 Sorrel Mare

24

NOTES: Extremely athletic and cowy, this mare could go any direction you want. "Daisy" has been ridden inside and out. She has proven herself as an all-day ranch horse that is great for doctoring, gathers and sorting. She is also fine-tuned and sensitive in the arena. "Daisy's" dam continues to produce some of our nicest colts each year.
