NOTES: "Joe" is a big, strong gelding. Standing 16.1, "Joe" wears a number one shoe. He has been a part of the Cowan Remuda for the past twelve years, and this seasoned gelding has done it all. He is great for pasture doctoring, is quick to get you there and is agile on his feet. There are not many horses more sure-footed than this one, and he is still going strong. Incentive Fund nominated.
