NOTES: This is a cute roan gelding. “Cash” is the friendliest horse on the ranch. Easygoing and pleasant to be around, “Cash” is a joy to ride. He is a flashy mover, smooth under saddle and responsive. He has been ridden in the mountains around the ranch and used for some of the day-to-day ranch activities. A very well-trained, experienced three-year-old, “Cash” promises to make someone a great little horse. Incentive Fund nominated.
