NOTES: "Lucy" was started on the 4-Lakes ranch as a two-year-old and used at brandings and to doctor cattle before being turned out with the broodmare band. She has had two foals, and when we pulled her out of the pasture to start riding her again she was just as sweet as when we turned her out. "Lucy" has a pretty head, a big heart and a huge hip which she passes to her offspring. She is by Docen Colonel, earner of over \$11,000 in NCHA events. Her paternal grandsire is Colonel Freckles, producer of foals with earnings in excess of \$5,000,000. This mare would be a great addition to your breeding program or just take her home and ride her.
