2006 Brown Gelding

NOTES: This gelding is a blend of Driftwood, Blue Valentine, Peppy San, with some Poco Bueno and the great running blood of Glass Truckle and Barbara B. Driftwoods Jo Jo, his grandsire, is a full brother to Mr Junewood's mother. Mr Junewood is a 4-time AQHA World Show qualifier, and top ten finisher twice. Performance bloodlines run all through this pedigree. This colt was easy to start and a real pleasure to work with from day one. "Jo" is willing and quiet, enjoys his work and shows a great deal of athletic ability.
