RS Pretty In Pink

2000 Solid Gray Mare

8

NOTES: “Molly” is a well-built, gentle, solid gray APHA mare that has most recently been used as a 4-H horse in all events. She is quiet, willing to please and has a nice, easy gait. She has also been used on the ranch and would make an excellent ranch or trail horse. This eye-catching mare is a solid prospect for the seasoned or inexperienced rider, and will adjust to the rider on her back. “Molly” is also guaranteed broodmare sound.
